

Aqua Options Modern Slavery Statement

We are proud to be active participants in the global movement towards eradicating all forms of modern slavery. We are committed to maintaining and improving systems and processes to avoid complicity in modern slavery or human rights violations related to our own operations, our supply chain, and our services.

Modern slavery can occur in many forms, such as forced labour, child labour, domestic servitude, sex trafficking, workplace abuse and human trafficking. We do not tolerate any forms of slavery and human trafficking in our business and supply chain.

Under the Australian Government's Modern Slavery Act 2018 we are required to submit an annual Modern Slavery Statement to the Minister for Home Affairs. Our first statement, for the year 2021, outlines our progress for addressing modern slavery and human trafficking risks in our organisation and supply chain.
